Prior to joining The Resort Collection in 2009, Stange represented Intrawest, a Vancouver-based resort management company, as Sandestin Golf and Beach Resort's president and chief operating officer, and was part of the Intrawest executive management team.

"It's an honor to accept this position of leadership and to lead the company's new vision and mission," Stange said. "This is an exciting time for the company. The repositioning of several top-level managers and the addition of a new property has energized the organization."

Stange, a graduate of Florida State University's Dedman School of Hospitality, has gained 30 years experience holding executive level positions throughout his career. Stange began his hospitality career with Marco Beach Ocean Resort on Marco Island, Florida. He spent 11 years in leadership with Renaissance Hotels, which included management positions with Vinoy Renaissance St. Petersburg Resort & Golf Club and with Renaissance Atlanta Waverly Hotel.

Stange has hand-picked the members of his new management team, and it is as follows: Tom Sparks – vice president of association management, Heem Chee – vice president of food and beverage, John Ward – vice president of human resources, Keith Wilt – chief financial officer, Paul Wohlford – vice president of sales and marketing, Stacey Aronson – vice president of lodging, Ric Holt – managing broker Edgewater Beach Realty, and Judy Johnson – director of human resources.
